THE PUBLICATION OF THE SOUTHWEST MINNESOTA ARTS & HUMANITIES COUNCIL, INC.

SMAHC Arts and Cultural Heritage Funds Update New Programs Announced - Applications Forms Available Soon

With the passage of the **Clean Water, Land and Legacy Amendment** in November of 2008, the funding for the arts will be greatly enhanced for the next 25 years! 19.75% of the funds collected from the new sales tax will be put in a newly created **Arts and Cultural Heritage Fund** to be spent only for arts, arts education, and arts access, and to preserve Minnesota's history and cultural heritage (approximately \$48 million in FY 2010 and \$54.5 million in FY 2011). SMAHC will be receiving a portion of these funds for arts programming!

Arts and Cultural Heritage Fund will support activities in three key areas of Arts Access, Art Education, and Arts and Cultural Heritage. Application forms for these new grant opportunities are being developed and will be available on our website soon. **Workshops will be conducted throughout the region** for artists and organizations to learn more about the process. Since this is a new grant program you are strongly encouraged to attend the workshop or to call the office prior to starting your proposal. Two workshops have been scheduled at 3 PM and 7 PM on February 8th at the Media Center in the High School, 1211 Clary Street, **Worthington**. Contact the SMAHC office to register. Additional workshops will be posted on the SMAHC website.

Some of the new programs that will be available through the arts & cultural heritage funds are as follows:

Forecast Public Art Grants: \$2,000 planning grants plus additional \$750 in consultation and video documentation from Forecast for artists or organizations in FY2010. The deadline for these grants is February 6, 2010. There will be a workshop on Wednesday January 13, 6:30-8:30 pm at the SMAHC office in Marshall

Legacy Grants for Individual Artists: Up to \$7,000 grants for Career Artists for projects that incorporate a community component that would provide an opportunity for the community to benefit as a result of the project. Grants could be open to higher limit if the artist can make the case that additional funds would make a big impact. The deadline for these grants is April 1, 2010 (earliest project start date is June 1, 2010).

Legacy Grants for Organizations: Up to \$2,000 for planning and up to \$25,000 for projects that will instill the arts into the community. Applicants must demonstrate that their project will be new or build on previous projects and build the arts in their community. Projects can include arts activities including public art, capacity building, operating support, arts and learning activities, and, for arts organizations only, the purchase of equipment or facilities improvement. Schools are not eligible for planning grants, equipment purchase or facilities improvement. The 2 deadlines for these grants are March 1, 2010 (earliest project start date is May 1, 2010) and May 3, 2010 (earliest project start date is July 1, 2010). The earliest project start date is July 1, 2010.

Changes at SMAHC - We've Moved

We have moved - but not very far. We are in the same office building as before. Our new office space will include an art gallery that can also be set up for board and panel meetings and grant workshops. We will be hosting exhibits that will showcase some of our grant recipients - both present and past. We will host 4 exhibits a year rotating on a 3 month basis. Stay tuned - we will let you know when our first exhibit is ready for viewing.

In addition to moving, we are in the process of hiring a full-time program assistant who will work with our grant programs and set up workshops and conferences.

When you visit us, enter through the side door on the east side of the building (in the middle of the building). Look for the SMAHC signs in the windows and on the outside door.

Renew Your Membership Online

It is now possible to renew your membership online. SMAHC has a page on the GiveMN.org website. The donations are accepted through their secure online donation link. You can access the SMAHC donation page by going to our website at www.smahc.org. Click on the donation button and click the button next to the amount you wish to contribute. You can also type in any other amount in the *Other input box*.

DARK DREAMING, GLOBAL DIMMING

Joe Paddock's latest book of poetry - *Dark Dreaming, Global Dimming* - is an outcome of a lifetime engagement with the natural world. The book's poems explore both inner and outer ecology, and many are the result of insights and images revealed over many years of doing dream work.

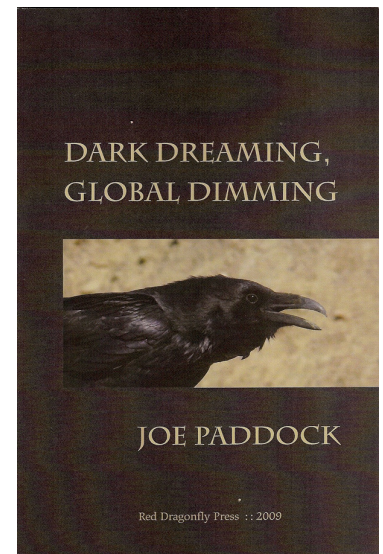

Poet John Caddy writes that in these poems "Paddock offers us direction, a celebration of belonging, and a sense of possibility both personal and cultural."

Dana Jackson of the Land Stewardship Project suggests that for "a profound experience, play a Mozart symphony quietly in the background and read *Dark Dreaming, Global Dimming*--aloud."

Joe Paddock is a poet, oral historian, and environmental writer, and was the recipient of **SMAHC'S 2009 Prairie Disciple Award**.

Dark Dreaming, Global Dimming is available from Red Dragonfly Press at www.reddragonflypress.org or call 507-664-3892
