Creative Project Funding Opportunity

Looking for 10-15 community placemaking projects in Olivia with \$15,000 available in funding to support projects and creators. Are you an artist or creative thinker interested in learning more about making public spaces more vibrant, healthy and memorable? Please attend this workshop to find out more about this opportunity and how you can showcase your creative skills in your community. Attendance at a workshop is required before submitting your creative proposal and consideration of funding.
